ORDER DECLINING CERTIFIED QUESTION

This matter involves a legal question certified to this court, under NRAP 5, by the United States District Court for the District of Nevada. Specifically, the U.S. District Court has certified the following question to this court:

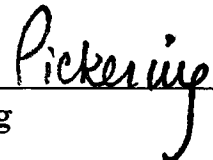

Whether the prioritization of liens pursuant to Nev. Rev. Stat. § 116.3116 may have the effect of extinguishing the interest of a holder of a first security interest under a deed of trust secured by the unit when an association forecloses its delinquent assessments lien by sale pursuant to Nev. Rev. Stat. § 116.31162.

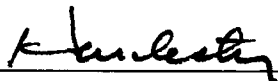

As we believe there is controlling Nevada precedent with respect to this question, we decline to answer this question. See NRAP 5(a). Specifically, in *SFR Investments Pool 1, LLC v. U.S. Bank, N.A.*, 130 Nev. ___, 334 P.3d 408 (2014), this court held that a common-interest community association's NRS 116.3116(2) superpriority lien has true

priority over a first security interest and that the association may nonjudicially foreclose on that lien.

It is so ORDERED.
